Fritz Rigele
(Executive Director)

Michael Plamenig
(Hotel Manager)

Royal since 1980. And better than ever.

In the past 39 years of being passionate hosts, we learnt one simple, yet powerful truth: There's nothing more important than excellent service. Our love for tradition inspires every moment you'll experience to make sure your warm feeling of remembrance may not be soon forgotten. We're philanthropists, and we present us subtly and of luxurious elegance, yet always approachably. It is our key to success: Rigele Royal, family-run itself and with our 4*Superior rating one of Obertauern's finest hotels – has become the gathering place for generations. With a skillful hand, we treasure our hotel and its 57 rooms and suites. And we welcome everyone searching their personal winter fairytale.

Obertauern lies on elevating 1.740 meters above the sea, surrounded by the romantic Salzburg countryside. The spot isn't a well-kept secret anymore, but now all the more combines openness with the charm only found in the Alps. We all carry the wild beauty of the mountains in us – and we're sure you will be just as enchanted by this place.

Good news you can sleep in.

We've been investing for you. Because we believe that a good night's rest is essential to eventful days and nights. At Rigele Royal, you're now choosing from 22 new rooms and suites, equipped with interiors made by regional handicraft businesses: Wooden floors meet unique furniture, all made from domestic trees. Natural materials like burlap, hemp, and linen caress your senses. And eco-friendly, subtle wall colors make for an atmosphere of complete recreation, exceeded only by the breathtaking view onto Obertauern's many mountain peaks.

You'll relax in the private sauna or the free-standing bathtub. Between eco room and suite royale, all guests will find an air of perfect privacy. Come forth for comfort – and decide which safe haven caters to your needs the most.

- High-class beds and mattresses, all suitable for allergy sufferers and equipped with Swiss pine and more, should you desire it
- A healthier sleep thanks to reduced electro and WLAN emission during night time
- Bathrobe, slippers and Austrian natural cosmetics
- Room service from 8 a.m. to 10 p.m.
- Concierge and laundry service

Get off the skis and into the sauna.

We've got it – Obertauern's biggest outdoor pool. Surrounded by bubbling water you'll enjoy the mountain panorama and dream about the next downhill run. And after that: sauna, swimming, drifting.

Would you like a massage today, a nurturing treatment or a personal training? How about investing in your strength and stamina in our modern gym, or simply enjoying a refreshing nap on the water beds? Whether you see yourself as a well-trained winter sports person or a nature lover looking for peace, in our wellness area you'll align body and soul once again.

Royally delicious

Start your day with a breakfast of international tastes – whether you desire Austrian classics, crave a French café and croissant, or want it the proper British way. Breakfast is served until 11 a.m. – wonderful, isn't it?

Our gourmet half board is a class of its own: After your day on the slopes, you'll refill your engines with a hearty snack, comprised of hand-picked tidbits from the surrounding farms. Our evening meals are characterized by grandma's ways: Our team interprets the old classics like Tafelspitz (prime boiled beef), Forelle Müllerin (trout meunière) or Kaiserschmarrn (sugared pancake with raisins) in surprising and playful ways. Weekly highlights include the fondue, the evening dedicated to the Mediterranean, and the beautifully curated buffets.

The heart of the house is beating at the chimney bar – here you'll find proper snacks like beef tartar, Caesar salad, and tasty burgers, as well as appetizers, and sophisticated drinks

Why do we rely on organic products from the region wherever possible? Because it tastes so much better, and supports the local farmers and manufacturers. Bon appétit!

Fritz, Friedrich, and the wine cellar

Asian alpine cooking on a star chef level at in-house restaurant Fritz&Friedrich: Here, hand and knife create an explosive fusion cuisine unrivalled in the region. Ambitioned, en vogue, and a little audacious – making sushi meet saibling, combining tamarind with Lungau lard.

Another pole position is reserved for our wine cellar with over 300 personally curated bottles. In its midst, we welcome you to the Chef's Table three days a week – with fondues, steaks, and a variety of other culinary innovations of international proportions. And national ones, like the beautiful bio cuts out of Lungau. Why not accompany this celebration of regionality by tasting a glass of our very own NIVATUS wine, grown in Burgenland.

- Gourmet half board, including snacks
- Fritz&Friedrich à la carte restaurant
- Fondues and steak evenings in the wine cellar
