Royally Being Outside

A warm welcome to you, cherished guest!

Do you feel it too? That longing for icy-clear air, which blows around your nose at over 2000 meters above sea level, while you're overlooking idyllic snow-covered valleys. The feeling that your thoughts suddenly have more room when your gaze wanders into the steel-blue winter sky. This inner pulling after cosy hours in well-warmed rooms, with excellent food and relaxed conversations.

We've missed it, that perfect winter feeling. Even more so in the past months. And we've missed you. All the better that we'll meet again this winter.

With heartfelt greetings from
beautiful Obertauern,

Rosenweg 1

Naturally extraordinary

For 39 years now we have been giving everything for you, dear guest. You have quickly shown us that in the end only excellent service is worthwhile in order to earn your long-term loyalty. This makes it all the more touching for us to have received so much encouragement from you in recent months. We believe that it's the magic of all those memories you have already collected with us – and the prospect of those thousands upon thousands of memories still awaiting you.

Luxurious, elegant, always human, and close at hand. This is how we have achieved what many are denied: With our 4* Superior classification we belong to the best in Obertauern. And we have conquered your heart. Let us keep writing your very personal winter fairy tale this year, as well.

OUR HYGIENE MEASURES

Your well-being is our highest goal. That's why we have developed a comprehensive hygiene and safety concept that covers all the premises of the Rigele Royal. General legal regulations (maximum number of guests per room, freely available disinfectants and masks, etc.) are additionally exceeded by meticulous disinfection routines and instructions to our staff. As our promise to you, you can feel safe anytime and anywhere around Rigele Royal.

New: The rooms of your dreams – quite literally.

22 new rooms and suites are waiting for you, equipped with interiors from regional handicraft enterprises: local natural wooden floors meet unique wooden furniture, equipped with the finest natural materials such as burlap, hemp and linen. Here, to find peace and a deep, profound sleep becomes a breeze.

How about investing in your strength and stamina in our modern gym, or simply enjoying a refreshing nap on the water beds? Royally delicious

Start your day with a breakfast of international tastes – whether you desire Austrian classics, crave a French café and croissant, or want it the proper British way. Breakfast is served until 11 a.m. – wonderful, isn't it?

Our gourmet half board is a class of its own: After your day on the slopes, you'll refill your engines with a hearty snack, comprised of hand-picked tidbits from the surrounding farms. Our evening meals are characterized by grandma's ways: Our team interprets the old classics like Tafelspitz (prime boiled beef), Forelle Müllerin (trout meunier) or Kaiserschmarrn (sugared pancake with raisins) in surprising and playful ways. Weekly highlights include the fondue and the evening dedicated to the Mediterranean.

The heart of the house is beating at the chimney bar – here you'll find proper snacks like beef tartar, Caesar salad, and tasty burgers, as well as appetizers, and sophisticated drinks.

Why do we rely on organic products from the region whenever possible? Because it tastes so much better, and supports the local farmers and manufacturers. Bon appétit!

Priced goods from Fritz and Friedrich.

What the best restaurant guides already knew for sure shortly after the opening of our à la Carte restaurant „Fritz & Friedrich“ has been made official in spring: Chef Patrick Paß and sushi master Rico Rassbach along with their team are performing on a 2 toques level. That's no surprise to anyone whose taste buds already experienced this ambitious Asian-Alpine fusion cuisine. Here, blood sausage shines next to yuzu apple, Lungau bacon is self-confidently married to tamarind. And it's not only the taste combinations that are unique here – „Fritz & Friedrich“ is also the only restaurant in Obertauern that can boast their two toques.

Just as highly praised is our wine cellar with over 300 personally selected positions. Our recommendation: do have a taste of the „NIVATUS“ from our own vineyard.

- Gourmet half board, including snack
- Fritz&Friedrich à la carte restaurant
- Fondues in the wine cellar

- Particular attention to regional products
